I have completed my fourth year at the Hawaii State Legislature. I am grateful for the continuing privilege to serve the people in the Manoa Valley area and McCully/Moiliili/Punahou neighborhoods. While we may not always agree with each other on every issue, I believe that over the past four years we have created a climate in this district in which we are able to feel comfortable debating public policy. We respect each other and honor the diverse spectrum of opinions that enriches our community. We genuinely listen to each other and work together for the common good. I commit to continue to work hard to protect the values we hold dear and to improve the lives of those who live in our community. I realize this is a joint endeavor and look forward to our continued communication and our working together. I respectfully ask for your vote this election season.
